TO OLD CUSTOMERS

Many thanks for your orders last Spring. Here is hoping that you have had good results with the stock you purchased of me (as many have whom I have heard from) and to assure you that I stand back of my stock ready to make good should the fault be mine. And further, that I may have the pleasure of again serving you.

TO NEW CUSTOMERS

I am offering the best in exhibition, rare and standard Gladiolus that I believe without exaggeration I can call them SUPER bulbs and you will agree with me when you receive your order. Send in your order early to avoid disappointment and I will ship same near November 10th (unless directed to hold until Spring) and if you are not more than satisfied with quality of stock, count and extras return it promptly and I will cheerfully refund your money.

HOW STOCK IS GROWN

First, all stock is treated with Semesan before planting, to insure healthy, vigorous bulbs. All planted on new clover sod soil on which glads have never before been grown.

KIND OF STOCK PLANTED

With the exception of a few large bulbs for exhibition, I plant only No. 5 and No. 6 stock and bulbets to insure young healthy, vigorous stock for my customers. I offer practically all virgin bulbs. Full of beauty, life and vitality.

WHAT I HARVEST AND SHIP TO CUSTOMERS

Bulbs, plump, high crowned and clean. The kind that win the prizes. The kind you like to buy.

Annual Fall Sale

My large warehouse will not hold all my growing crop and must make fall sale to have storage room for balance.

Wholesale prices to those buying in quantities. Ask for list.

ALL ORDERS PREPAID. NO ORDERS ACCEPTED FOR LESS THAN \$1.00

All STOCK true to name. Should any prove otherwise I will gladly replace or refund money. All stock clean and disease free.

If any stock received from me does not meet with your approval, if you will promptly return same I will gladly refund your money.

EXTRAS AND COUNT

You will find I am very liberal with high grade extras. My policy being to include extras of higher grade than order if possible. You will also find my count liberal.

RECOMMENDATIONS

August 4 1929
J. H. Heberling, Easton, Ill.

Dear Sir:—

Will try and see you at the show and if there is any assistance I can give, will be glad to do so.

The bulblets I bought of you last fall are coming fine. Of the 109 you sent 107 are growing and a few are ready to bloom.

Respectfully,

Kenneth J. Lindsey,
Indiana

Dear Sir:—

I want to thank you for the liberal treatment you gave me on the Glad bulblets I ordered of you this season, not only on those I ordered but the extras you so kindly put in. The stock came in good shape. I planted everything as soon as I got them and I now have 100 per cent start on all but two varieties and I am looking for the two to make good yet. This speaks some for the stock you sent me.

Yours truly, James Coates
